- 2.01.03 The playing surface may be of any material and shall yield a uniform bounce of about 23cm when a standard ball is dropped on to it from a height of 30cm.
- 2.01.04 The playing surface shall be uniformly dark colored and matt, but with a white side line, 2cm wide, along each 2.74m edge and a white end line, 2cm wide, along each 1.525m edge.
- 2.01.05 The playing surface shall be divided into 2 equal courts by a vertical net running parallel with the end lines, and shall be continuous over the whole area of each court.

- 2.04.03 A side of the blade used for striking the ball shall be covered with either ordinary pimples rubber, with pimples

2.05 Definitions

- 2.05.01 A *rally* is the period during which the ball is in play.
- 2.05.02 The ball is *in play* from the last moment at which it is stationary on the palm of the free hand before being intentionally projected in service until the rally is decided as a let or a point.
- 2.05.03 A *let* is a rally of which the result is not scored.
- 2.05.04 A *point* is a rally of which the result is scored.
- 2.05.05 The *racket hand* is the hand carrying the racket.
- 2.05.06 The *free hand* is the hand not carrying the racket; the *free arm* is the arm of the free hand.
- 2.05.07 A player *strikes* the ball if he touches it in play with his racket, held in the hand, or with his racket hand below the wrist.
- 2.05.08 A player *obstructs* the ball if he, or anything he wears or carries, touches it in play when it is above or traveling towards the playing surface, not having touched his court since last being struck by his opponent.

- 2.05.09 The *server* is the player due to strike the ball first in a rally.
- 2.05.10 The *receiver* is the player due to strike the ball second in a rally.
- 2.05.11 The *umpire* is the person appointed to control a match.
- 2.05.12 The *assistant umpire* is the person appointed to assist the umpire with certain decisions.
- 2.05.13 Anything that a player *wears or carries* includes anything that he was wearing or carrying, other than the ball, at the start of the rally.
- 2.05.14 The ball shall be regarded as passing over or around the net assembly if it passes anywhere other than between the net and the net post or between the net and the playing surface.
- 2.05.15 The *end line* shall be regarded as extending indefinitely in both directions.

2.06 The Service

- 2.06.01 Service shall start with the ball resting freely on the open palm of the server's stationary free hand.
- 2.06.02 The server shall then project the ball near vertically upwards, without imparting spin, so that it rises at least 16cm after leaving the palm of the free hand and then falls without touching anything before being struck.
- 2.06.03 As the ball is falling the server shall strike it so that it touches first his court and then, after passing over or around the net assembly, touches directly the receiver's court; in doubles, the ball shall touch successively the right half court of server and receiver.
- 2.06.04 From the start of service until it is struck, the ball shall be above the level of the playing surface and behind the server's end line, and it shall not be hidden from the receiver by the server or his doubles partner and by anything they wear or carry.
- 2.06.05 As soon as the ball has been projected, the server's free arm shall be removed from the space between the ball and the net.
Note: The space between the ball and the net is defined by the ball, the net and its indefinite upward extension.
- 2.06.06 It is the responsibility of the player to serve so that the umpire or the assistant umpire can see that he complies with the requirements for a good service.
- 2.06.06.01 If the umpire is doubtful of the legality of a service he may, on the first occasion in a match, declare a let and warn the server.
- 2.06.06.02 Any subsequent service of doubtful legality of that player or his doubles partner will result in a point to the receiver.
- 2.06.06.03 Whenever there is a clear failure to comply with the requirements for a good service, no warning shall be given and the receiver shall score a point.
- 2.06.07 Exceptionally, the umpire may relax the requirements for a good service where he is satisfied that compliance is prevented by physical disability.

2.07 The Return

- 2.07.01 The ball, having been served or returned, shall be struck so that it passes over or around the net assembly and touches the opponent's court, either directly or after touching the net assembly.

- 2.03.03 When two players who are in wheelchairs due to a physical disability are a pair playing doubles, the server shall first make a service, the receiver shall then make a return but thereafter either player of the disabled pair may make returns. However, no part of a player's wheelchair shall protrude beyond the imaginary extension of the centre line of the table. If it does, the umpire shall award the point to the opposing pair.

2.09 A Let

- 2.09.01 The rally shall be a let
- 2.09.01.01 if in service the ball, in passing over or around the net assembly, touches it, provided the service is otherwise good or the ball is obstructed by the receiver or his partner;
- 2.09.01.02 if the service is delivered when the receiving player or pair is not ready, provided that neither the receiver nor his partner attempts to strike the ball;
- 2.09.01.03 if failure to make a service or a return or otherwise to comply with the Laws is due to a disturbance outside the control of the player;
- 2.09.01.04 if play is interrupted by the umpire or assistant umpire.
- 2.09.01.05 if the receiver is in wheelchair due to a physical disability and the ball leaves the receiver's half after touching it in the direction of the net;
- 2.09.01.05.01 comes to rest on the receiver's half;
- 2.09.01.05.02 in singles leaves the receiver's half after touching it by either of its sidelines.

- 2.10.01.05 if his opponent obstructs the ball;
- 2.10.01.06 if his opponent strikes the ball twice successively;
- 2.10.01.07 if his opponent strikes the ball with a side of the racket blade whose surface does not comply with the requirements of 2.4.3, 2.4.4 and 2.4.5;
- 2.10.01.08 if his opponent, or anything his opponent wears or carries, moves the playing surface;
- 2.10.01.09 if his opponent, or anything his opponent wears or carries, touches the net assembly;

- 2.13.02 When one player or pair has chosen to serve or to receive first or to start at a particular end, the other player or pair shall have the other choice.
- 2.13.03 After each 2 points have been scored the receiving player or pair shall become the serving player or pair and so on until the end of the game, unless both players or pairs score 10 points or the expedite system is in operation, when the sequences of serving and receiving shall be the same but each player shall serve for only 1 point in turn.
- 2.13.04 In each game of a doubles match, the pair having the right to serve first shall choose which of them will do so and in the first game of a match the receiving pair shall decide which of them will receive first; in subsequent games of the match, the first server

- 2.13.07 The player or pair starting at one end in a game shall start at the other end in the next game of the match and in the last possible game of a match the players or pairs shall change ends when first one player or pair scores 5 points.

2.14 Out of Order of Serving, Receiving or Ends

- 2.14.01 If a player serves or receives out of turn, play shall be interrupted by the umpire as soon as the error is discovered and shall resume with those players serving and receiving who should be server and receiver respectively at the score that has been reached, according to the sequence established at the beginning of the match and, in doubles, to the order of serving chosen by the pair having the right to serve first in the game during which the error is discovered.
- 2.14.02 If the players have not changed ends when they should have done so, play shall be interrupted by the umpire as soon as the error is discovered and shall resume with the players at the ends at which they should be at the score that has been reached, according to the sequence established at the beginning of the match.
- 2.14.03 In any circumstances, all points scored before the discovery of an error shall be reckoned.

2.15 The Expedite System

- 2.15.01 Except where both players or pairs have scored at least 9 points, the expedite system shall come into operation if a game is unfinished after 10 minutes' play or at any earlier time at the request of both players or pairs.
- 2.15.01.01 If the ball is in play when the time limit is reached, play shall be interrupted by the umpire and shall resume with service by the player who served in the rally that was interrupted.
- 2.15.01.02 If the ball is not in play when the time limit is reached, play shall resume with service by the player who received in the immediately preceding rally.
- 2.15.02 Thereafter, each player shall serve for 1 point in turn until the end of the game and if the receiving player or pair makes 13 returns the receiver shall score a point.
- 2.15.03 Once introduced, the expedite system shall remain in operation until the end of the match.

3.04.02.01.03	If a ball is damaged during a match, it shall be replaced by another of those chosen before the match or, if such a ball is not available, by one taken at random by the umpire from a box of those specified for the competition.
---------------	--

3.04.03.01	Players are entitled to practice on the match table for up to 2 minutes immediately before the start of a match but not during normal intervals; the specified practice period may be extended only with the permission of the referee.
------------	---

3.04.04.01.01	an interval of up to 1 minute between successive games of an individual match;

3.04.04.05	A suspension shall not be allowed for a disability which was present or was reasonably to be expected at the beginning of the match, or where it is due to the normal stress of play; disability such as cramp or exhaustion, caused by the player's current state of fitness or by the manner in which play has proceeded, does not justify such an emergency suspension, which may be allowed only for incapacity resulting from an accident, such as injury caused by a fall.
3.04.04.06	If anyone in the playing area is bleeding, play shall be suspended immediately and shall not resume until that person has received medical treatment and all traces of blood have

been removed from the playing area.

3.05 Discipline

3.05.1 Advice

3.05.01.01 In a team event, players may receive advice from anyone.

3.05.01.02 In an individual event, a player or pair may receive advice only from one person, designated beforehand to the umpire, except that where the players of a doubles pair are from different Associations each may designate an adviser, but with regard to 3.5.1 and 3.5.2 these two advisors shall be treated as a unit; if an unauthorized person gives advice the umpire shall hold up a red card and send him away from the playing area.

3.05.01.03 Players may receive advice only during the intervals between games or during other authorized suspension of play, and not between the end of practice and the start of a match; if any authorized person gives advice at other times the umpire shall hold up a yellow card to warn him that any further such offence will result in his dismissal from the playing area.

3.05.01.04 After a warning has been given, if in the same team match or the same match of an individual event anyone again gives advice illegally, the umpire shall hold up a red card and send him away from the playing area, whether or not he was the person warned.

3.05.02 Misbehavior

3.05.02.02 If at any time a player, a coach or another adviser commits a serious offence the umpire shall suspend play and report immediately to the referee; for less serious offences the umpire may, on the first occasion, hold up a yellow card and warn the offender that any further offence is liable to incur penalties.

3.05.02.03 Except as provided in 3.5.2.2 and 3.5.2.5, if a player who has been warned commits a second offence in the same individual match or team match, the umpire shall award 1 point to the offender's opponent and for a further offence he shall award 2 points, each time holding up a yellow and a red card together.

3.05.02.04 If a player against whom 3 penalty points have been awarded in the same individual match or team match continues to misbehave, the umpire shall suspend play and report immediately to the referee.

3.05.02.05 If a player changes his racket during an individual match when it has not been damaged, the umpire shall suspend play and report to the referee.

3.05.02.06 A warning or penalty incurred by either player of a doubles pair shall apply to the pair, but not to the non-offending

Except as provided in 3.5.2.2, if a coach or another adviser who has been warned commits a further offence in the same individual match or team match, the umpire shall hold up a red card and send him away from the playing area until the end of the team match or, in an individual event, of the individual match.

3.05.02.08 The referee shall have power to disqualify a player from a match, an event or a competition for seriously unfair or offensive behavior, whether reported by the umpire or not; as he does so he shall hold up a red card.

15. Expedite Procedure

15.1 Principle

15.1.1 The expedite system is the method provided by the laws to prevent unduly long games, which may result from negative play by both players or pairs. Unless both players or pairs have scored at least 9 points, it is introduced automatically after 10 minutes' play in a game or at any earlier time at the request of both players or pairs.

15.1.2 Under the expedite system the serving player or pair has 13 strokes including the service stroke in which to win the point. If the receiving player or pair safely makes 13 good returns, the receiving player or pair wins the point. The game is won, as in normal play, by the player or pair first scoring 11 points or, if the score reaches 10-10, by the player or pair first establishing a lead of 2 points.

15.1.3 The serving order throughout each game is the same as for a normal game, but service changes after each point instead of after every 2 points. At the start of each game the first server, and in doubles the first receiver, is determined by the order established at the start of the match, even though the same players may have been serving and receiving at the conclusion of the preceding game.

15.2 Procedure

15.2.1 When the time limit is reached, unless the score has reached at least 9 - 9, the timekeeper should call "Time" loudly. The umpire should then declare a let if necessary and tell the players that the remainder of the match will be conducted under the expedite system. If the ball is in play when the time limit is reached, the next server is the player who served for

that rally; if it is not in play, the next server is the player who received in the preceding rally.

15.2.2 Thereafter, in each rally the stroke counter is required to count aloud the return strokes of the receiving player or pair, including the return of service, from "one" to "thirteen". The call should be made immediately after the receiver has struck the ball and not delayed until the return has been judged good or the ball has gone out of play. If the 13th return is good the umpire should call "stop" and award a point to the receiver.
